Report of Independent Auditors

Stockholder and Board of Directors Bancnorth Investment Group, Inc.

We have audited the accompanying statement of financial condition of Bancnorth Investment Group, Inc. (the Company, a wholly-owned subsidiary of PrimeVest Financial Services, Inc., which is an indirect wholly-owned subsidiary of ING America Insurance Holdings, Inc.) as of December 31, 2007. This statement of financial condition is the responsibility of the Company's management. Our responsibility is to express an opinion on this statement of financial condition based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the statement of financial condition is free of material misstatement. We were not engaged to perform an audit of the Company's internal control over financial reporting. Our audit included consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control over financial reporting. Accordingly, we express no such opinion. An audit also includes examining, on a test basis, evidence supporting the amounts and disclosures in the statement of financial condition, assessing the accounting principles used and significant estimates made by management, and evaluating the overall statement of financial condition presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the statement of financial condition, referred to above presents fairly, in all material respects, the financial position of Bancnorth Investment Group, Inc. at December 31, 2007, in conformity with U.S. generally accepted accounting principles.

Bancnorth Investment Group, Inc. Notes to Statement of Financial Condition

1. Nature of Business and Ownership

Bancnorth Investment Group, Inc. (the Company) operates as a broker-dealer registered under the Securities Exchange Act of 1934 and is a member of the Financial Industry Regulatory Authority (FINRA). The Company is a wholly-owned subsidiary of PrimeVest Financial Services, Inc. (Parent). The Parent is a wholly-owned subsidiary of Lion Connecticut Holdings, Inc. (LCH), which is a wholly-owned subsidiary of ING America Insurance Holdings, Inc. (ING AIH). ING AIH is a wholly-owned subsidiary of ING Groep N.V. (ING), a global financial services holding company based in the Netherlands.

The Company is a fully disclosed broker-dealer and clears all securities transactions through the Parent. The Company does not carry customer accounts and is not required to make the periodic computation of reserve requirements for the exclusive benefit of customers. Therefore, the Company is exempt from Securities and Exchange Commission (SEC) Rule 15c3-3.

2. Summary of Significant Accounting Policies

General

The preparation of the statement of financial condition in conformity with accounting principles generally accepted in the United States requires management to make estimates and assumptions that affect the amounts reported in the statement of financial condition and accompanying notes. Management believes that the estimates utilized in preparing its statement of financial condition are reasonable and prudent. Actual results could differ from those estimates.

Cash and Cash Equivalents

The Company considers deposits that can be redeemed on demand and highly liquid investments that have original maturities of three months or less, when purchased, to be cash and cash equivalents. Cash equivalents are not held for sale in the ordinary course of business.

Income Taxes

The Company has not recorded any deferred tax expense, as there are no book-to-tax differences in the basis of its assets and liabilities.

Revenue Recognition

Commission revenue and expense are recognized on a settlement date basis, which is not materially different from trade date basis.

Bancnorth Investment Group, Inc. Notes to Statement of Financial Condition

Financial Instruments with Off-Balance Sheet Risk

The securities transactions of the Company's customers are introduced on a fully disclosed basis with the Parent. The Company holds no customer funds or securities. The Parent provides services for execution, collection of and payment of funds, and receipt and delivery of securities relative to customer transactions. Off-balance-sheet risk exists with respect to these transactions due to the possibility that customers may be unable to fulfill their contractual commitments wherein the Parent may charge any related losses to the Company. The Company seeks to minimize this risk through procedures designed to monitor the creditworthiness of its customers.

Recently Issued Accounting Standard

Accounting for Uncertainty in Income Taxes – FIN 48

Effective January 1, 2007 the Company adopted FASB Interpretation No. 48, "Accounting for Uncertainty in Income Taxes" (FIN 48). FIN 48 creates a single model to address the accounting for the uncertainty in income tax positions recognized in a company's financial statements in accordance with FAS 109, "Accounting for Income Taxes". The adoption of FIN 48 did not have an impact on the Company, since the Company does not have any uncertain tax positions.

3. Income Taxes

The results of the Company's operations are included in the consolidated tax return of ING AIH. ING AIH and its subsidiaries each report current income tax expense as allocated under a consolidated tax allocation agreement. Generally, this allocation results in profitable companies recognizing a tax provision as if the individual company filed a separate return and loss companies recognizing benefits to the extent of their losses.

The Company has not recorded any deferred tax expense, as there are no book-to-tax differences in the basis of its assets and liabilities.

The Company adopted FIN 48 on January 1, 2007. The Company has reviewed and evaluated the relevant technical merits of each of its tax positions and determined the Company does not have any uncertain tax positions.

The Internal Revenue Service is currently examining ING AIH's tax returns for the years 2002 through 2006. Management is not aware of any adjustments as a result of this examination that would have a material impact on the financial statements of the Company.

Bancnorth Investment Group, Inc. Notes to Statement of Financial Condition

4. Related Party Transactions

The Parent performs certain administrative functions, including the payment of expenses and collection of cash, for the Company at no charge.

5. Subordinated Borrowings

The borrowings under subordinated agreements at December 31, 2007 is comprised of a secured demand note. The secured demand note represents a collateral agreement with the Parent in the amount of \$300,000. The note is non-interest bearing and matures on December 31, 2009. The subordinated borrowings are available in computing net capital under the SEC's uniform net capital rule. To the extent that such borrowings are required for the Company's continued compliance with minimum net capital requirements, the borrowings may not be repaid.

6. Net Capital Requirements

The Company is subject to the SEC Uniform Net Capital Rule (Rule 15c3-1), which requires the maintenance of minimum net capital and requires that the ratio of aggregate indebtedness to net capital, both as defined, shall not exceed 15 to 1. Rule 15c3-1 also provides that equity may not be withdrawn or cash dividends paid if the resulting ratio of aggregated indebtedness to net capital would exceed 10 to 1.

At December 31, 2007, the Company had net capital of \$635,110, which was \$385,110 in excess of its required net capital of \$250,000. The Company's ratio of aggregate indebtedness to net capital at December 31, 2007 was .58 to 1.
